

THE POEM

In the Stillness by Chrissy Greenslade

In the stillness
Is the darkness of the night;
In the stillness
Is the wonder of God's light;
In the stillness
I feel strength from God above,
And the whole of my being is
Filled with love.

*In the stillness
I feel peace and I feel calm;
In the stillness
I'm protected from all harm;
In the stillness
I lose problems, pressure, pain,
For I know that in God,
I am whole again.*
